

WINDOW+ DOOR

Increase Reader Engagement with Customized Editorial Content

Be Seen as an Industry Authority — Q+A with Window + Door

This two-page spread features an interview with a key person at your company, conducted and written by a Window + Door editor. Our editorial team will work with your team to create a compelling, must-read article about your company's milestones, endeavors, contributions to the industry, technical insights or even products.

Be Known as a Solutions Provider — Product/Solution

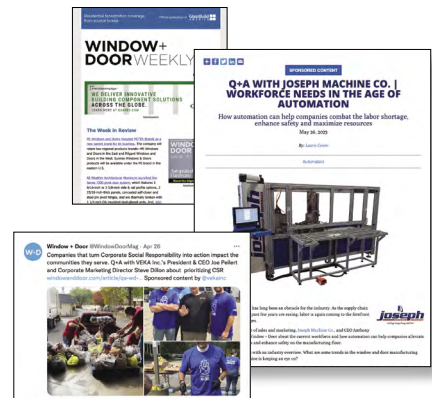

Customers have problems. Your company offers solutions. Window + Door's Product/Solution sponsored editorial highlights how your products and services help customers. This product-focused page is designed in the style of and runs as the first right-hand page of the Products section. Readers consistently rank product coverage among the most valuable content in the magazine.
