65% of these companies are regular attendees (went to GlassBuild 2021 and 2022).

100% of the companies in the top tiers (revenue is between \$500M and over \$1B) attend GlassBuild.

Better Visibility

GlassBuild America buyers reported they planned to spend an average of **\$577,355** on glass, window and door machinery, products and/or services they saw at the show.
